

## Information DUNS® number

---

The DUNS number („Data Universal Numbering System“) is a 9-digit numerical code that guarantees a unique, standardized and companywide identification. The DUNS number can be searched for or if necessary be applied for at Dun & Bradstreet free of charge. For you as potential supplier this assures smooth and fast processes for your business relationship with MANN+HUMMEL.

More information can be found at:

[\(https://www.bisnode.com/international/products-solutions/verify-and-enhance/verification-research/db-dunsnumbers/ \)](https://www.bisnode.com/international/products-solutions/verify-and-enhance/verification-research/db-dunsnumbers/)

If you don't know whether your company has a DUNS number already please read **part A** of this guideline. Therein the procedure for searching your own DUNS number is explained. If you want to apply for a DUNS number, please follow the instructions explained in **part B**.

**Part A:** Find out the DUNS® number
