4 Regular shipments via Transport Management System

Regular inbound shipments (including parcel express) will be supported by a Transport Management System (TMS).

This TMS is now driven by the external service provider DSV Lead Logistics (DSVLL) Amsterdam, Netherlands.

But will be changed back to Supply Chain Factory (SCF) in Willich, Germany during the next months – see rough time schedule per MANN+HUMMEL site below:

- Czech Republic and Bosnia March - April
- Germany sites April – June
- Spain, France and United Kingdom May – July
- Turkey and Italy July – September.

This means you proceed working with DSVLL for **all regular transports** to MANN+HUMMEL (including parcel express) until further notice.

(Also freight audit will stay unchanged until further notice)

DSV Lead Logistics
E-Mail: MH-CT-EMEA-DSVL@dsv.com
Telephone: +31 206551634

DSVLL expects to get the pick up request electronical.

Description how to work with DSV platform please get in contact with DSVLL

A link for this platform can be found [here.](#)

.

In future (latest till September 2023) all regular shipments will be shifted to SCF.

In preparation to this transfer SCF will get in contact with you and will train you on the new process in time.

5 Expedite shipments

All expedite shipments (road all Europe, air worldwide and train or truck ex China), where MANN+HUMMEL is freight payer, can only be started by MANN+HUMMEL. Means that you as supplier /shipper have to get in touch with your contact person at MANN+HUMMEL purchasing/ material planner or shipping department and inform about necessity of an expedite.

In case you should not know your direct/correct contact person at MANN+HUMMEL, you can - as an exception - contact Transport manager Europe

Mr. Vavra: E-Mail zdenek.vavra@mann-hummel.com or mobile +420 770168171.

Mr. Vavra will hand on your requirement to the correct MANN+HUMMEL person.

.
